Dear Judge Madden:

Enclosed please find my Affidavit and Affidavits from Doctors, including January 31, 2006, from Dr. Alexandra Lansky, Director of Center for Interventional Cardiology in New York Presbyterian Hospital; Jacques Merab;¹ and Dr. R. Josiah and Dr. Weintraub, along with my current Hospital and other Medical records *inter alia*, involving, my severe cardiac condition, enlarged lymph gland, and other issues.

Accordingly, in view of the confirmed gravity of my medical condition and risks related to engaging in any stressful or adversarial activities, I am not able to partake in any court trials or proceedings. Such activities have in the past, and continues to result, in exasperation of my heart condition, related unstable angia, and other medical difficulties, which will have serious consequences for me, including emergency hospitalization, or worse.

I will advise the court of any change in my condition.

Respectfully,

James C. Couri

¹ Since the procedures of November and January 2006 were unsuccessful and no relief has resulted, Dr. Merab's affidavits are correct and accurate.
